2nd Capsule Course on Medical Education Technology for Senior Residents and Tutors of AIIMS Kalyani on 18th & 19th February, 2022

The Medical Education Unit of AIIMS Kalyani successfully conducted the 2nd Capsule course in Medical Education Technology for Senior Residents and Tutors on 18th and 19th February 2022. The objective of this Capsule Course was to improve the quality of medical education in our institute by sensitising the Senior Residents and Tutors on newer concepts of medical education technologies. Twenty participants actively participated in the workshop. Nine faculty members contributed as resource persons. All the sessions were interactive with hands-on training through microteaching. The workshop was successfully conducted and all the participants gave positive feedback at the end of the workshop. Certificates of participation and appreciation were handed over by the chairperson of Medical Education Unit. The course was ended with valedictory session.
